

Round Robin

MR. MULHOLLAND'S UPDATE

Welcome to the new academic year and our 'All New' Round Robin. Each week, I'll try to keep you up to date with what has been going on, what's coming up and pass on useful information.

This week we welcomed our new starters in Reception AND have already hosted a Phonics workshop for parents. They are settling so well to school life - it's been really great to see.

We're already preparing for the next lot and have announced dates for Open Morning Tours for parents whose children start school in September 2027. Please share details with friends and family. Recruiting for each new cohort is really important for the future funding of the school.

Just a heads up that I have been informed that the council will be towing the black Dacia that has been on Robin Way obstructing the footpath since the beginning of term. Please be mindful when parking in the vicinity of the school - please park a little further away and walk the last part to ease congestion.

Have a fabulous Weekend, Everyone!

NATURAL PLAY AREA IN UPPER SCHOOL

Following the removal of some trees over the summer, a volunteer working party have been helping me use the logs and chippings to create a natural play space for year 3 to 6. It's coming along well.

HOUSE CUP

**2213 POINTS
WINNER**

SIGN POST
