Bikeability – Year 5

Dear Parents and Carers,

We are pleased to offer children the opportunity to take part in a **Bikeability training course** during the Spring Term.

At this stage, the course provider, Essex County Council, is gathering participant numbers before confirming dates. Once the number of children taking part is known, they will arrange and share the course dates with the school.

If you would like your child to participate, **you must book a place directly with the provider using the following link or QR code**

<https://tinyurl.com/yc6mp22b>

Please ensure that your booking is completed by **25th September**. Unfortunately, late bookings cannot be accommodated.

The booking link contains all the information you need about the course, including:

- The Bikeability training levels being offered
- Requirements for bicycles and helmets
- Details of suitable equipment and safety checks
- What is included in the training programme
- Any other important information needed before booking

Please note that the school will **not** be able to see which children have booked a place until after the booking deadline has passed. This means we are unable to remind or chase individual pupils who have not yet registered. We therefore ask parents and carers to take responsibility for completing the booking before the deadline if they would like their child to take part.

Bikeability is a valuable opportunity for children to develop their cycling skills, confidence and road safety awareness, and we hope that many pupils will take advantage of this experience.

Kind Regards,

Miss Pooler
